January 2003

Dear Friend:

The 2003 legislative session has begun, which means the legislature will be working over the next few months to fulfill our constitutional duty of preparing a biennial budget. This will be no small task, as 33 states have reported revenue collections below forecasted levels through last October, and Indiana is no exception.

Nevertheless, I hope we can provide reasonable solutions to our budget problems, and my goal is that those solutions will allow Indiana residents an opportunity to improve our collective quality of life in this increasingly challenging time.

As always, thank you for the opportunity to represent the 30th district, and please let me know if there is anything that I can do for you or your family. Best wishes for the new year.

Sincerely,
